

New Bulk Carrier

Germany's Nord Klaus Oldendorff Reederei of Hamburg has taken delivery of the 37,202-dwt bulk carrier *N Schelde* from China's Zhejiang Ouhua Shipbuilding at Zhoushan. The 189-meter by 28-meter ship has been placed under the Maltese flag and loaded its first cargo, 33,228 tons of copper concentrate, at the Port of Vancouver (USA) for discharge at Yantai, China during April. **PMM**

The new bulk carrier *N Schelde* was on the Columbia River in late April to load copper concentrate after being completed by China's Zhejiang Ouhua Shipbuilding. Photo courtesy of Port of Vancouver (USA).
